Dynamite Hockey

Albert's Action on defense. But when he's on attack, he's a leading player. Below: How he battles for duels on Joe Primeau's word is law to his team.

Anything can happen in kid hockey. Joe Primeau says so—and Joe ought to know—he coaches the wizard St. Mike's Juniors

THESE teenagers carried the Montreal Cup a little earlier than could the hockey season. Joe Primeau, the wizard coach who's coached the wizard St. Mike's Juniors, is the wizard coach who's coached the wizard St. Mike's Juniors.

Primeau is the wizard coach who's coached the wizard St. Mike's Juniors. He's the wizard coach who's coached the wizard St. Mike's Juniors. He's the wizard coach who's coached the wizard St. Mike's Juniors.

But there was the Montreal Cup for Charlie. That's what you call a kid who's a wizard. That's what you call a kid who's a wizard. That's what you call a kid who's a wizard.

It's not just the wizard. It's not just the wizard. It's not just the wizard. It's not just the wizard. It's not just the wizard.

But every time you see a wizard, you see a wizard. You see a wizard. You see a wizard. You see a wizard. You see a wizard. You see a wizard.

All through the season we had our own way. We had our own way. We had our own way. We had our own way. We had our own way. We had our own way.

It's not just the wizard. It's not just the wizard. It's not just the wizard. It's not just the wizard. It's not just the wizard.

But every time you see a wizard, you see a wizard. You see a wizard. You see a wizard. You see a wizard. You see a wizard. You see a wizard.
